Hello there!

In this folder you will find 8 cute digital stickers (PNG files) that will help your kids to learn the names of some fruits in an engaging way!

I've also included a PDF version, in case you want to print them on sticker paper and give them to your kids, so they can do their magic sticking them everywhere ;)

The Spanish stickers version is also available in the store, just in case you want to have a look.

I hope the little ones enjoy these colorful and cute stickers.

Thanks for stopping by!

Becca xx
