

PRINTABLES

Hello there!

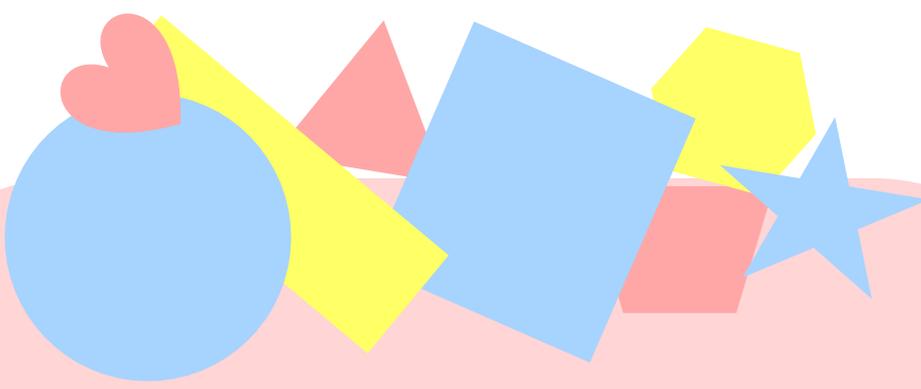

In this zip folder you will find 8 colorful digital stickers (PNG files), that will help your kids to recognize some basic shapes.

I've also included a PDF version in case you want to print them on sticker paper that also contains a writing and coloring activity.

I hope the little ones enjoy them!

Have a nice day!

*Remember that the colors could change slightly due to your printer or monitor settings.

Terms of Use
