

**Connect the
dots and color
the image**

Hello there!

With this ten page connect the dots activity, your pupils will develop their fine motor skills through coloring and will practice counting numbers from 1 to 10.

Let them have fun connecting the numbers until they complete the image of a bee, a teddy bear, a ladybug, a cat, a hand, an ice cream, a house, a penguin, a chick, and a fish.

I hope they enjoy it!

If you have any questions, suggestions or feedback, please, don't hesitate to contact us, we'll be happy to help you!
