

# **Bilingual Valentine's Day Themed Matching Activity**

English/Spanish colors

## **Actividad Bilingüe de San Valentín**

Los colores en inglés y español

Perky Learning

With this bilingual colors matching Valentine's day themed activity, your kids will practice their color recognition in English and Spanish by matching two halves of a heart.

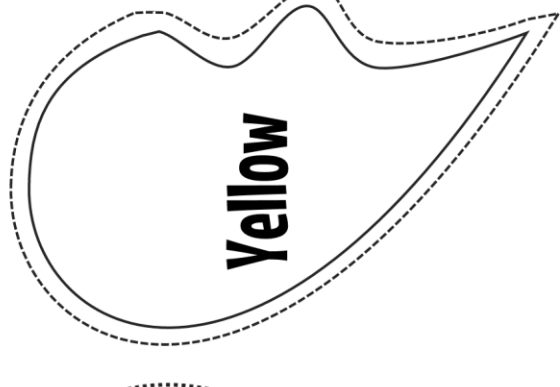

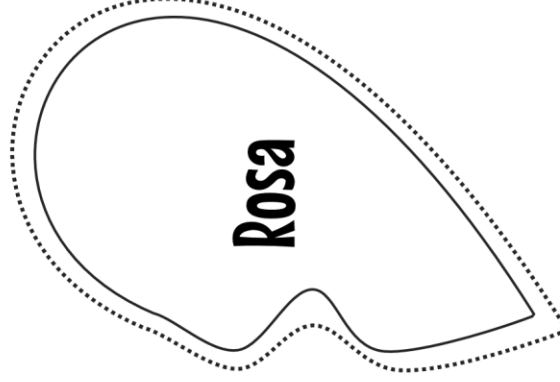

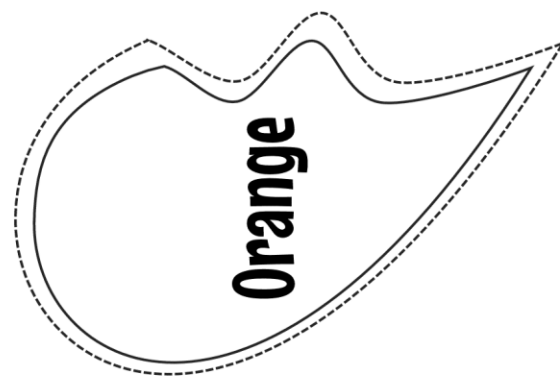

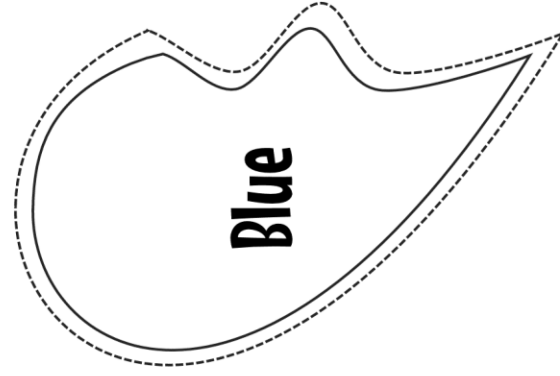

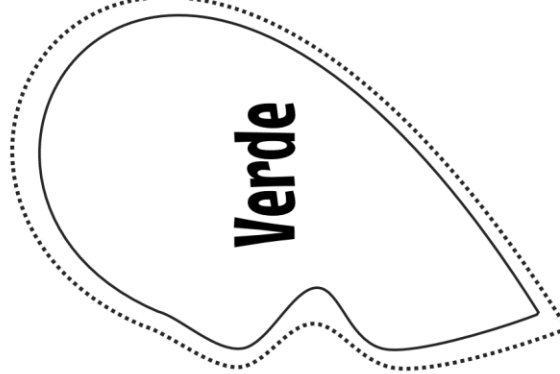

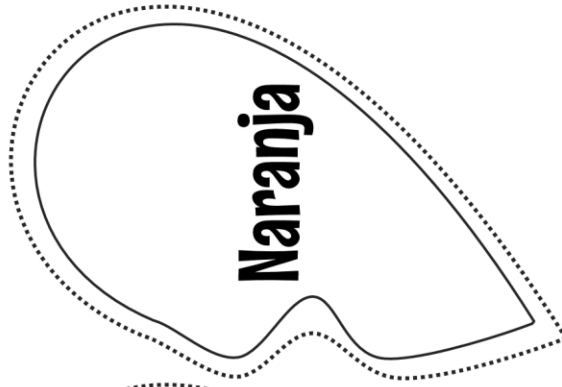

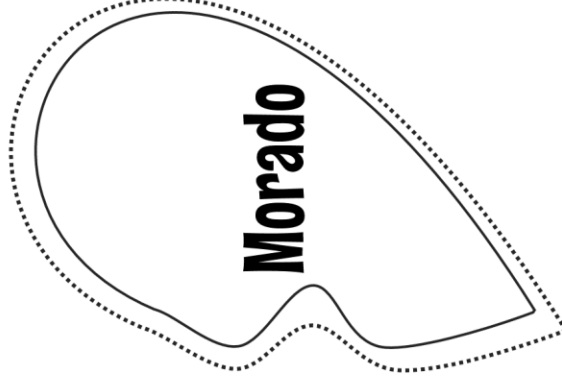

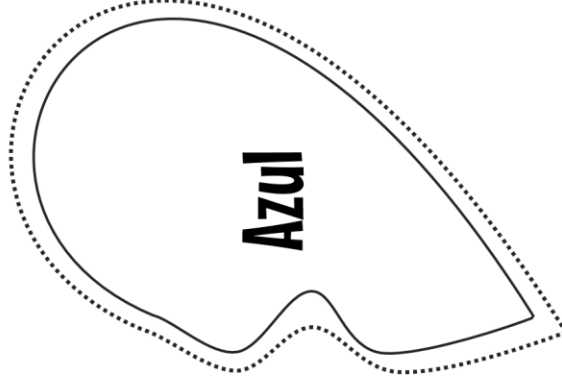

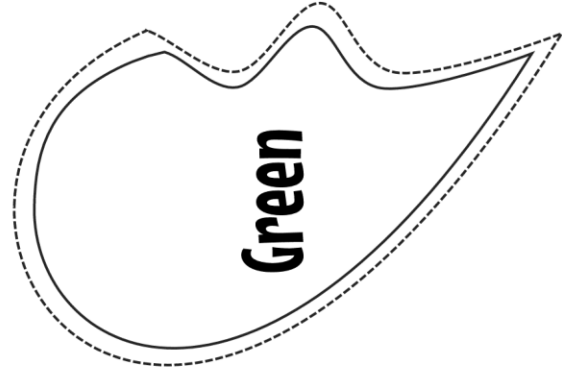

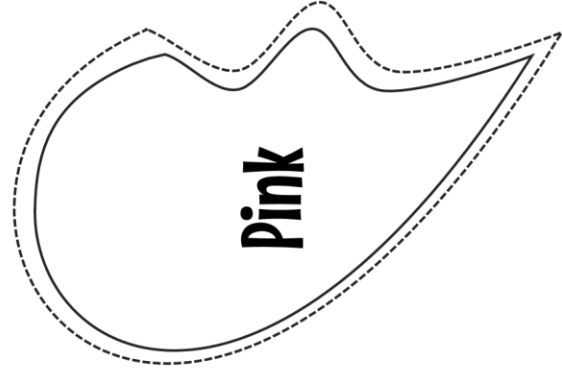

This is also a great resource for them to practice their fine motor skills through coloring and cutting.

I hope they enjoy it!

Have a nice day!

Becca
